Sample Itinerary:

Friday, June 12 - Fly Detroit to Fairbanks, Alaska, to begin our Alaska adventure as we explore Alaska by land and sea. Experience Alaska by both land and sea in one seamless trip that goes beyond the expected. Embark on a land tour to enhance your cruise vacation and exclusive to Norwegian, all Cruise Tours are led by local Alaskan guides who pass along their traditions and real-life experiences. Accommodation for the next 2 nights in Fairbanks. Balance of day and evening on your own

Saturday, June 13 - Enjoy a **city tour of Fairbanks**. The tour includes a stop at the Trans-Alaska Oil Pipeline and gives you a great overview of the Fairbanks community. Early afternoon enjoy a ride on the **Riverboat Discovery**, a three-hour journey that will take us into the heart of Alaska. See a bush plane land and take off beside the boat and hear stories of flying into remote Alaska firsthand. Experience the frontier at a re-created Athabascan Indian village where we'll be immersed in frontier living. Return to our hotel with balance of day and evening on your own.

Sunday, June 14 - This morning board the **Alaska Railroad to Denali National Park** for a four hour journey through magnificent scenery. The train is equipped with reclining seats, large picture windows, ample leg room and a dining car. As we travel through the high tundra plateau into the Healy Gorge and Canyon, be sure to watch for wildlife as we make our way to **Denali National Park**. Upon arrival transfer to a motorcoach and travel into the park on the only road in/out of this six million acres of wild land. Along the way learn about the flora and fauna of the area, while looking out for wildlife that roams freely and call this park home as we begin our **Denali Natural History tour** taking us approximately 25 miles into the park. Overnight at Denali.

Monday, June 15 - Board the deluxe motorcoach and travel to Seward. Enjoy a brief **city tour of Anchorage** and then continue south down the Turnagain Arm along the Seward Highway. This "All-American Scenic Highway" has spectacular views of the Cook Inlet and Chugach Mountains. Stop at the **Alaska Wildlife Conservation Center** for an up close view of moose, bears, musk ox and other indigenous animals of the region. The center is dedicated to the protection and preservation of Alaska's wildlife. Continue to Seward to board the **Norwegian Jewel for our 7-day cruise**.
