Itinerary:

Day 1 - We all marvel at the spectacular colors of autumn. They paint a landscape with an amazing palette of yellow, orange, red and purple against a shrinking canvas of green. We're on our way to **Elkins, West Virginia** for an inclusive **railroad, entertainment themed fall color vacation**. Lodging for (2) nights at the **Isaac Jackson Hotel**, a first class, new hotel in town. (www.isaacjacksonhotel.com) Tonight it's the **Gandy Dancer Dinner Theatre**, a high quality **Branson-style musical variety show**. En route tour the **Trans-Allegheny Lunatic Asylum** and take the **1st Floor Tour**(45 min). Learn about the pioneers of humane treatment for the mentally ill while visiting the first two wards for the patients and see the Civil War Section of the hospital. Hear about the gold robbery that helped West Virginia become a state and how being a border state affected the area. We'll also take the **Criminally Insane Tour** (60 min). This companion tour allows travel through the areas designed to hold the criminally insane for over a century. Learn about the admissions process and the riot that stopped it all. Late afternoon arrive in **Elkins, WV** with 2 nights at the Isaac Jackson Hotel. www.isaacjacksonhotel.com. **Dinner included at the Graceland Inn** a beautiful Victorian Mason and a landmark in American History.

Day 2 - The **Cheat Mountain Salamander Railroad** takes us through some of the wildest mountain wilderness you will ever experience. Travel into the high country forests of legendary Cheat Mountain on this most distinctive rail excursion, featuring amazing mountain vistas. **Box lunch included**. This afternoon board the **Durbin Rocket**, one of the rarest steam locomotives in existence. The 10-mile journey offers spectacular fall foliage as we wind through the mountains and **Monongahela National Forest**. Tonight it's the **Gandy Dancer Dinner Theatre** for a West Virginia Mountain style musical variety show and dinner.

Day 3 - Next, travel to White Sulphur Springs, WV, home of **America's Resort - The Greenbrier**. As a National Historic landmark, the Greenbrier Resort's classic architecture, exquisite interior design, carefully sculpted landscape, impeccable service and outstanding amenities have hosted distinguished guests from around the world since 1778. Upon arrival take the famous **Greenbrier Bunker Tour**, a must-see behind-the-scenes guided tour. Carved deep into the mountainside beneath the resort is an emergency Cold War fallout shelter. Once a top secret U.S. government relocation facility for Congress, The Bunker is now open to relive a legendary piece of The Greenbrier history. After the tour, enjoy some leisure time at the famous Greenbrier for your own explorations. Overnight in Lewisburg, WV with **dinner included**.

Day 4 - En route home we still have two more interesting attractions. Take a guided tour the **Beckley Exhibition Coal Mine** aboard on underground "coal man tram". A veteran coal miner provides first hand accounts of the daily responsibilities and the difficult work load of past and present day miners. Next visit **Tamarack "The Best of West Virginia"** with its unique retail artisan products and extraordinary food fare, Tamarack showcases West Virginia's beautiful mountain image.
