

**MAY 20, 2020**

## **COST OF LIVING**

Winner of the 2018 Pulitzer Prize for Drama; join us for this original, honest and deftly funny new play that explores our need to connect and be loved, regardless of the gulfs of disability, race and class place between us. Watch as four very different lives collide and roles are reversed. Included theatre ticket and Motorcoach transportation. Lunch on your own before the show at a restaurant to be determined.

### **Cost of Living**

**Detroit Public  
Theatre**
