# Little Shop of HORRORS

Books & Lyrics by Howard Ashman Music by Alan Menken

The meek floral assistant Seymour Krelborn stumbles across a new breed of plant he names "Audrey II" - after his co-worker crush. This foul-mouthed, R&B-singing carnivore promises unending fame and fortune to the down and out Krelborn as long as he keeps feeding it BLOOD. Over time, though, Seymour discovers Audrey II's out-of-this-world origins and intent towards global domination!
