WHY OSC?

The goal of Oxford Soccer Club is to provide a high quality club-level soccer program at a competitive price. We offer dedicated coaches, premium fields, and team-oriented training and development. Club soccer is for athletes wanting to play soccer in a competitive league ranging from beginner to premier divisions. Lifelong bonds are forged through participation in team sports. OSC strives to provide not only highly competitive soccer, but foster community growth through team building, year round training, and continually learning new skills. OSC welcomes all players from all communities! Even if you are unsure about club soccer, come to tryouts and have a talk with our coaches and staff. **GO OSC!**

OSC Soccer teams compete in both the
MYSL and MSPSP Leagues
