Oxford Township Parks & Recreation

**Book and Lyrics by Josh Halloway**

**Music and Lyrics by Will Van Dyke**

New York City novelist Kevin Taylor is in a rut. With two successful books to his name and a much-anticipated third book overdue, he has lost his way - and his marriage. After a very public meltdown on TV, he resigns himself to life as a bachelor...until an enthusiastic teenage super fan arrives on his doorstep offering to be his intern. Before long, this imaginative new employee hatches a very creative scheme to reunite Kevin with his wife in a hilarious, heartfelt story about finding unlikely friendship in unexpected places.
