

**Full-Time
CAREER OPPORTUNITY
Oxford Township Parks & Recreation
Maintenance Department**

Full-time position with complete benefit package. Job includes but not limited to maintaining all park grounds, buildings, playground apparatus, and athletic fields. General knowledge of small engine repair, building trades, and irrigation is preferred. Ability to provide preventative maintenance on equipment i.e. mowers and tractors is also preferred. Two years of park maintenance or landscaping experience is desirable. This person must be able to deal professionally and courteously with public and staff. Position includes evenings, weekends, and holidays. Position requires manual labor in all weather conditions. Candidate must be a high school graduate or equivalent. Must possess a valid Michigan Driver's License.

Full Time Start Pay Range: \$29,000 - \$33,000, including full benefit package.

Complete job description and benefit package information will be available from 9 am – 5 pm at the Parks & Recreation office and at www.oxparkrec.org.

Oxford Township Parks and Recreation is an equal employment opportunity employer.
