

Ohio Wine Tour

YOUR BIANCO TOUR INCLUDES:

Round Trip Transportation - Via deluxe highway motorcoach. Equipped with reclining seats, overhead storage, and a restroom for your comfort and convenience.

Knotty Vines Winery (wine tasting) - In 2008 a local Ohio couple decided to buy 3.3 acres of farmland in Wauseon, OH. The winery now has over 1,000 vines and produces over 6 tons of grapes annually. In 2012 they opened a tasting room to share their delicious wines with the rest of the world. They now make over a dozen kinds of wines, including wines made from other fruits, including cherries and blueberries, which they have become famous for.

The Barn (included lunch) - For more than 45 years families have gathered to enjoy home-style food and welcoming hospitality under the hand-hewn timbers of a barn built in 1861. Located in Archbold, OH, the Barn Restaurant continues to be a favorite spot to dine with family and friends.

Majestic Oak Winery & Neon Groundhog Brewery (wine tasting) - This rapidly growing vineyard is located 6 miles north of Grand Rapids, OH and offers nearly 18 different kinds of wine on site. Recent expansion has now allowed them to add the new Neon Groundhog Brewery on site.

Chateau Tebeau (wine tasting and light buffet) - When the Tebeau's purchased their 36-acre farm in 1996, they had no idea at the time what fate had in store for this limestone soil. They realized that this was not prime farmland, but that was not why they bought it. It was a love of nature and the rural lifestyle that made this property a great match. Knowing that grapes love limestone laced soil, it didn't take long for Bob & Mary to start the research to turn this barren land into a productive vineyard and winery.
