Detroit City Tour with Step-on Guide - Detroit's Pewabic Pottery is uniquely Detroit! Founded in 1903, Pewabic Pottery art has been gracing the buildings in Detroit for more than a century. Join us for a fun day hunting for some of the city's most beautiful Pewabic tile installations. Your guide, a Pewabic pottery fan and collector, will show you some of the most unique building ornamentation. We'll also visit a couple of interior installations to see the way Pewabic tile adds its own unique beauty to Detroit interiors. Lunch is at Andiamo's on the Detroit Riverfront. After lunch, we will tour the Pewabic Pottery Historic Studio Workshop and Museum. Their new museum is a beautiful representation of Pewabic's history. Afterward we'll set time aside for shopping at the Pewabic store.

Andiamo Riverfront (included lunch) - Enjoy exciting downtown Detroit at the water's edge in the beautiful GM Renaissance Center Windergarden.

Pewabic Pottery Historic Studio & Museum - Founded in 1903, Pewabic is one of the oldest continually operating potteries in the country. Working out of our National Historic Landmark studio on Detroit's east side, we preserve a tradition of handcraftsmanship that has enriched lives for generations. Pewabic today is an active working pottery, architectural tile studio, ceramic arts education center and vibrant cultural destination that attracts visitors from around the world.
