

## JULY IS NATIONAL RECREATION MONTH

Since 1985, people in the United States have celebrated Park and Recreation Month in July to promote building strong, healthy and resilient communities through the power of parks & recreation, and to recognize the more than 160,000 full-time park and recreation professionals— along with hundreds of thousands of part-time and seasonal workers and volunteers— that maintain our country's local, state & community parks.

To celebrate, the staff of OTPR is planning a SURPRISE Pop Up In the Park Event! Join us in July for an evening of fun activities in one of the Oxford Township Parks.

Here's the twist— you'll have to be watching our social media for the surprise announcement. You'll be the first to know where the OTPR staff will be and if there are any special directions for the evening's activities.

*Giveaways & activity supplies will be limited. Should inclement weather arise, activity may end before scheduled time. Any changes will be posted as soon as possible.*
