AMAZING TOTS

Amazing Tots is a guided, discovery-based program helping children 18 months to 2.5 years engage in structured physical activities tailored specifically to toddlers. Amazing Tots uses age-appropriate developmental milestones and works with each individual toddler based on his or her attention span and physical abilities. During each 25 minute weekly class, toddlers learn about one of four sports through our discovery lessons. Our classes also balance a combination of structured physical challenges and organized physical exploration activities specifically designed with little ones in mind. We know that a healthy body and mind go hand in hand. For this reason, we incorporate important reading and developmental properties into our physical activities, combining fitness, learning, and fun all in one! Imaginative Fitness Activities include Color Recognition, Shape Classification, Letter Identification, and Action Vocabulary Experiences (Over, Under, Around, etc). Research shows that when you link letters, words, sounds, and more to a physical movement, you keep your body active and boost your brain power with better concentration and recall. Amazing Tots gain physical and academic advantages that prepare them to excel in preschool and beyond. Following the love of healthy lifestyle instilled in this program, our toddlers gain skills and tools that can last a lifetime.

JULY IS NATIONAL RECREATION MONTH

Since 1985, people in the United States have celebrated Park and Recreation Month in July to promote building strong, healthy and resilient communities through the power of parks & recreation, and to recognize the more than 160,000 full-time park and recreation professionals along with hundreds of thousands of part-time and seasonal workers and volunteers— that maintain our country's local, state & community parks.

To celebrate, the staff of OTPR is planning a SURPRISE Pop Up In the Park Event! Join us in July for an evening of fun activities in one of the Oxford Township Parks.

Here's the twist— you'll have to be watching our social media for the surprise announcement. You'll be the first to know where the OTPR staff will be and if there are any special directions for the evening's activities.

Giveaways & activity supplies will be limited. Should inclement weather arise, activity may end before scheduled time. Any changes will be posted as soon as possible.
