For over 90 years, the Museum has chronicled the life and times of the region, safeguarding its rich history. Here is “the history of its history.” **Enjoy the museum’s 1-Hour Detroit Historical Perspectives Tour.** Native American footpaths started us on a journey that led to major industries (not just cars!) which brought the city of Detroit tremendous growth and waves of new immigrants. Guests will explore over 300 years of the city’s development while immersing themselves in the understanding of the city’s landscape, the people who built it, and the growth we continue to see today. Following the tour, enjoy some free time to explore on your own.
- **Lunch included at Buddy’s Pizza-** In 1946, a new style of pizza was born at Buddy’s and it was different. Their one of a kind square pies are built by hand with the best ingredients. Enjoy a family style lunch including a variety of the restaurant’s favorites! Pizza, salad, non-alcoholic beverage, tax and gratuity are included with this meal..
- **Motown Museum-** Founded in 1985 by Esther Gordy Edwards—former Motown Records executive and sister to Motown founder, Berry Gordy—**Motown Museum is home to iconic Hitsville U.S.A.**, Studio A, and an extensive array of Motown artifacts, photographs, apparel and memorabilia. **On this 1-hour guided tour, guests will be transported through time** while viewing curated exhibits, the actual apartment Berry Gordy lived in with his family during the label’s earliest days, along with original recording equipment and the legendary Studio A.
