

IRISH HILLS FALL COLOR BUS TOUR

Our trip first takes us to an oasis of Fall Beauty at Hidden Lake Gardens located in the heart of the Irish Hills in Southeast Michigan. The Garden shows off its vistas cloaked in all the colors of the rainbow. Amazing backdrops, brilliant scenes and the rustle of trees giving their last before winter. The Harper Collection of Dwarf & Rare Conifers is so striking against the backdrop of the fall colors of the sassafras trees. The conifers seem to jump out at the observer. It is a photographer's paradise and a visitors joy. In all a picture postcard. In June 2023 the Skydeck Canopy Walk opened up to the public and gives an even better view of the gardens. As you depart, we'll have the bus drive thru the Arboretum. After a tour of the gardens and relax for a lunch and wine tasting at Chateau Aeronautique.
