CRUISE 50/50 MUSIC COOKOUT

Classic cars of yesteryears are cruising into the gates of Seymour Lake Township Park to show support for Oxford's Free Meals. Join us at Burdick Street Landscape Supply & Equipment, 43 E. Burdick St. Oxford, as we cruise through Downtown Oxford to Seymour Lake Township Park.

The Oxford Community Garden was established in 2021 with the help of the Four Community Foundation grant. In it's inaugural year the garden generated over 2000 pounds of produce that was then provided to community groups including Meals on Wheels, the Oxford Free Meals program, Senior living facilities and those in need. While the garden flourishes with water and soil, it always needs a little more green to help with the upkeep and expansion.
